

## Battle of the Bay – how to enter and purchase \$6 swimmer entry ticket.

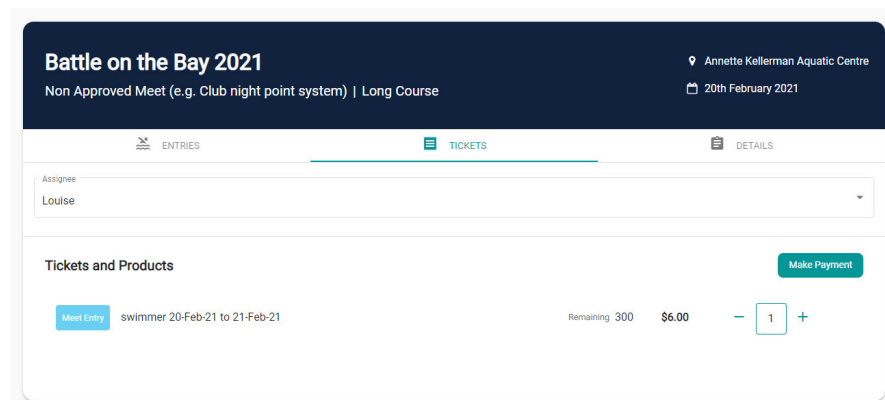

Open swim central and select the Battle of the Bay from the Events calendar (the first listed event that is still open).

Select the swimmer to enter in the Nominee box and enter races (each race is shown as a free entry).

Once events are all ticked, go to the 'Tickets' tab in middle top of screen to purchase the \$6 entry ticket for each swimmer. Click on the + sign to add a ticket. Increase the number for every swimming member in your family who will be racing.

To add more swimmers/events, go back to the nominees tab and select the other swimmer. To finish, click on Make Payment and complete purchase with credit card details.
